1 February 1974

MEMORANDUM FOR: Deputy Director for Management and Services
SUBJECT : Weekly Report

25X1A
25X1A

1. [REDACTED] visited the [REDACTED] facilities in [REDACTED] 25X1A
Texas on 28 and 29 January. Of particular interest was a briefing on the research being conducted in switching systems and receivers. The ARS and DATEX (OC systems under contract [REDACTED] test beds were inspected and a briefing on the status of these two projects was given by [REDACTED] personnel. Although [REDACTED] emphasized our "special customer" relationship, it is quite apparent that our share of their total business is small.
